### 157-H, Sabana Basora

This small and cozy house is located in Sabana Basora closely to supermarkets, schools, churches and spa for some much needed relaxation. The house is currently split in two apartments. Each apartment has two bedrooms, 1 bathroom, kitchen and living room. Tearing down the wall in the middle that separates the apartments to make it a 4 Bedroom/2 Bathroom house is also possible. The house is recently renovated and is in good condition. This is a great investment and is priced to sell!
