## WARIRURI COUNTRY SIDE BOUTIQUE RESORT

\$ 1,950,000 / AWG 3,471,000

### Jaburibari Hills, All

This hill top retreat is a 4 bedroom large house that can be split into 4 separate 1 bedrooms .

Next to the house is another 1 bedroom apartment

Concept of the house is to RELAX and even can dip your feet in a little fish nibbling pond .

The ultimate SPA that could be your house or as being used now as a Boutique Resort .

Very unique design with open bathrooms and stylish rooms .

Land has space for several "add ons " to make it to the size you want ..

Large pool and open kitchen concept that gives you that resort feel instantly .

Could add more private pools and build more units .

Owner has designed this key ready boutique resort for you that fetches high end dollars on the rental market currently .

Please call (297) 560-7770 for serious inquires .
